206 Seventh Street
Liverpool, NY 13088

- Ringling College of Art and Design, Sarasota FL
- Bachelor of Fine Arts in Computer Animation, May 2010

Experience:

Lighting Specialist, Unimar Inc. Lighting and Control, Clay, NY

Winter 2008 – Fall 2010

- Ran shipping and handling department- Maintaining stock, keeping inventory, and shipping on over dozens of manufactured parts and lighting kits daily; verified shipments were received by customers on time.
- Built, wired, mounted, and tested lighting units and controllers – In order to confirm that they are functioning properly and safely for air traffic use.

Landscaper, Turf Tamerz Landscape Service, East Syracuse, NY

Summer 2007 & 2008

- Ran lawn maintenance: including fertilizing, pest control, mowing, edging, hedge trimming, tree and rubbish removal.
- Oversaw equipment, mowers, trucks, employees, and materials, to ensure safety and quality of work.
- Excavated, prepped, and installed sidewalks, patios, plants, and planter beds.

Freelance:

- Hired to create a 16 page spread album booklet for Sophistafunk's EP. Gives brief biography about the band, including two page illustration for each song; as a part of their promotion kit to employers
- Commissioned to design and create a series of five 18"x24" jazz inspired pieces (acrylic on canvas) for residence; worked with client to understand their wants and successfully achieve them.
- Employed to illustrate black and white covers, embossed on handmade leather journals for Poetic Earth. It contains a front, back, spine, and inside flap; worked with employer to complete under time constraints.
